# CARTRIDGE RUBBER

## 3 Balls [37/38mm]

*The IM38CR-3B is used for efficient and safe breaking of large groups (crowds) of protesters in open spaces. They can be used as the main means or in combination with other means intended for the same purpose. The special action teams may use it for combat against terrorist freeing of hostages and alike, at the same time having the possibility to use other special means, as well (shock, flesh, tear gas bombs and alike).*
