

ICEMAK

LESS LETHAL TECHNOLOGIES

www.icemak.mk

ICEMAK is manufacturer of non-lethal ammunition and other pyrotechnics, designed for the needs of the modern Police units and Armies around the world. ICEMAK activities cover all aspects, from product design to production, including supply, transport and support. ICEMAK's portfolio includes over 40 products which have been researched and developed at its own plant, approved by the Macedonian Army and Police, and have applicability to the peace forces of the United Nations, and various other Armed and Police forces within several regions of the world.
